

DataWave Tech Ltd – PRIVACY POLICY

DataWave Tech Ltd (hereinafter referred to as the “**Company**”), is a company registered with the registrar of International Business Companies in Saint Lucia with registration No. 2023-00512, authorized by the Mwali International Services Authority under an International Brokerage and Clearing House license with number T2023409.

Our Commitment to You

Thank you for showing interest in our services. In order for us to provide you with any of our services, we are required to collect and process certain personal data about you and your activity.

By entrusting us with your personal data, we would like to assure you of our commitment to keep such information private.

We have taken considerable steps to protect the confidentiality, security, and integrity of your data. We encourage you to review the following information carefully.

Grounds for data collection

Processing of your personal information (meaning, any data which may potentially allow your identification with reasonable means; hereinafter "Personal Information") is necessary for the performance of our contractual obligations towards you and providing you with our services, to protect our legitimate interests and for compliance with legal and financial regulatory obligations to which we are subject.

When you use our services, you consent to the collection, storage, use, disclosure, and other uses of your Personal Information as described in this Privacy Policy.

How do we receive information about you?

We receive your personal information from various sources:

1. When you voluntarily provide us with your personal details in order to open a trading account with the Company (for example, your name and email address);
2. When you use or access our website in connection with your use of our services (for example, your financial transactions);
3. From third-party providers and services, such as credit reference agencies, fraud prevention agencies, identity verification vendors, banks, authentication service providers and public registers.

What type of information do we collect?

In order to open a trading account with the Company, and in order to provide you with our services, we will need to collect the following information:

Personal Information

We collect the following personal information about you:

- Registration information – your name, email address, phone number, occupation, country

of residency, and your age (in order to verify that you are over 18 years of age and eligible to participate in our service).

- Voluntary information – when you communicate with us (for example when you send us an email or contact us via telephone) we collect the personal information you provided us with.
- Financial information – by its nature, your use of our services includes financial transactions, thus requiring us to obtain your financial details, which includes, but is not limited to your payment details (such as bank account details and financial transactions performed through our services).
- Technical information – we collect certain technical information that is automatically recorded when you use our services, such as your IP address, MAC address, device approximate location.

Non-Personal Information

We record and collect data from or about your device (for example your computer or your mobile device) when you access our services and visit our website. This includes, but is not limited to your login credentials, UDID, Google advertising ID, IDFA, cookie identifiers, and may include other identifiers, such as your operating system version, browser type, language preferences, time zone, referring domains and the duration of your visits. This will facilitate our ability to improve our service and personalize your experience with us.

If we combine your personal information with non-personal information about you, the combined information will be treated as personal information for as long as it remains combined.

Tracking Technologies

When you visit or access our services, we use (and authorize third parties to use) pixels, cookies, events and other technologies (hereinafter referred to as “**Tracking Technologies**”). Those allow us to automatically collect information about you, your device and your online behavior, in order to enhance your navigation with our services, improve our website’s performance, perform analytics and customize your experience on it. In addition, we may merge information we have with information collected through said Tracking Technologies with information we may obtain from other sources and, as a result, such information may become personal information.

How do we use the information we collect?

- Provision of service - we will use your personal information that you provide us with towards the provision and improvement of our services to you.
- Marketing purposes - we will use your personal information (such as your email address or phone number). For example, by subscribing to our newsletter, you will receive news and announcements straight to your email account. We may also send you promotional material concerning our services or our partners' services (which we believe may interest you), including but not limited to, building an automated profile based on your personal information, for marketing purposes. You may choose not to receive our promotional or marketing emails (all or any part thereof) by clicking on the “unsubscribe” link in the emails that you receive from us. Please note that even if you unsubscribe from our newsletter, we may continue to send you service-related updates

and notifications or reply to your queries and feedback you provide us.

- Opt-out of receiving marketing materials - If you do not want us to use or share your personal information for marketing purposes, you may opt-out in accordance with this section. Please note that even if you opt out, we may still use and share your personal information with third parties for non-marketing purposes (for example, to fulfil your requests, communicate with you and respond to your inquiries, etc.). In such cases, the companies with whom we share your personal information are authorized to use your personal information only as necessary to provide these non-marketing services.
- Analytics, surveys and research - we are always trying to improve our services and think of new and exciting features for our users. From time to time, we may conduct surveys or test features, and analyze the information we have, in an effort to develop, evaluate and improve these features.
- Protecting our interests - we use your personal information when we believe it to be necessary, in order to take precautions against liabilities, investigate and defend ourselves against any third-party claims or allegations, investigate and protect ourselves from fraud, protect the security or integrity of our services and protect the rights and property of the Company and its users and/or partners.
- Enforcing of policies - we use your personal information in order to enforce our policies, including but limited to our Client Agreement.
- Compliance with legal and regulatory requirements - we also use your personal information to investigate violations and prevent money laundering and perform due diligence checks, as required by law, regulation or by a governmental authority, or to comply with a subpoena or similar legal process.

With whom do we share your personal information?

- Internal concerned parties - we share your information with companies in our group, as well as our employees, although such information is limited to those employees or partners who need to know the information in order to provide you with our services.
- Financial providers and payment processors - we share your financial information for the purposes of accepting deposits or performing risk analysis.
- Business partners - we share your information with business partners, such as storage providers and analytics providers who help us provide you with our services.
- Legal and regulatory entities - we may disclose any information in case we believe, in good faith, that such disclosure is necessary in order to enforce our Client Agreement or to take precautions against liabilities, investigate and defend ourselves against any third party claims or allegations, protect the security or integrity of the Company's website our servers and protect the rights of the Company, its users and/or partners. We may also disclose your personal information that was requested by a regulatory authority having control or jurisdiction over us, you or our associates or in the territories that we have clients or providers, as a broker.
- Merger and acquisitions - we may share your information if we enter into a business transaction such as a merger, acquisition, reorganization, bankruptcy, or sale of some or all of our assets. Any party that acquires our assets as part of such a transaction may continue to use your information in accordance with the terms of this Privacy Policy.

How we protect your information

We have implemented administrative, technical, and physical safeguards to help prevent unauthorized access, use, or disclosure of your personal information. Your information is stored on secure servers and is not publicly available. We limit access to your information

only to those employees or partners that need to know the information in order to enable the carrying out of the services to you.

You need to help us prevent unauthorized access to your account by protecting your password appropriately and limiting access to your account (for example, by signing out after you have finished accessing your account). You will be solely responsible for keeping your password confidential and for all use of your password and your account, including any unauthorized use.

While we seek to protect your information to ensure that it is kept confidential, we cannot absolutely guarantee its security. You should be aware that there is always some risk involved in transmitting information over the internet. While we strive to protect your personal information, we cannot ensure or warrant the security and privacy of your personal information or other content you transmit using the service, and you do so at your own risk.

Retention

We will retain your personal information for as long as necessary to provide our services, and as necessary to comply with our legal obligations, resolve disputes, and enforce our policies. Retention periods will be determined taking into account the type of information that is collected and the purpose for which it is collected, bearing in mind the requirements applicable to the situation and the need to destroy outdated, unused information at the earliest reasonable time. Under applicable regulations, we will keep records containing client personal data, trading information, account opening documents, communications, and anything else as required by applicable laws and regulations.

How to contact us

If you decide to terminate your account, you may do so by emailing us at support@maunto.com. If you terminate your account, please be aware that personal information that you have provided us with may still be maintained for legal and regulatory reasons (as described above), but it will no longer be accessible via your account.

Updates to this Policy

This Privacy Policy is subject to changes from time to time, at our sole discretion. The most current version will always be posted on our website. You are advised to check for updates regularly. In the event of material changes, we will provide you with a notice. By continuing to access or use our services after any revisions become effective, you agree to be bound by the updated Privacy Policy.
